Continuation of 4(e) Other: A notice of Non-Compliant Amendment was mailed on 04/03/2009, in which claim 20 did not provide for the correct markings to indicate a change corresponding to the status identifier. There is still an issue with the status identifier and markings of claim 20. To correct the errors claim 20, should have the status identifier currently amended with the amendment "one or more processors;" underlined to show that this amendment was added to the claim language, which was not previously presented in the claim language filed 09/26/2008.
